Cotswold, Windmill Lane

Ladbroke

Being beautifully positioned close to the fringe of Ladbroke village and with a delightful outlook from the front, this detached bungalow provides accommodation with three excellent bedrooms. Occupying an exceptional plot with a long mature rear garden that dog-legs at the far end to extend across the rear of the neighbour's plot, the bungalow is considered ideal for those looking to downsize from a larger family home, but with an accent on peaceful village living. Internally, the gas centrally heated and double glazed accommodation includes a comfortable 'L' shape lounge/dining room, along with a kitchen having double glazed conservatory off. The three bedrooms are arranged toward the rear of the bungalow and are complemented by a shower room and cloakroom/WC. In addition to the aforementioned large rear garden, there is also a double garage with electrically operated door providing access. This is a rare opportunity to purchase a well proportioned bungalow within a charming yet convenient village location.
