15 Wychwood Close

Bishops Tachbrook

Being pleasantly positioned within a cul-de-sac close to the heart of amenities in Bishops Tachbrook village, this three bedroomed semi-detached family house has benefited from a single storey extension to the rear, creating an enlarged kitchen and through lounge/dining room. Additionally, an extra parcel of land has been purchased previously which has created a good length mature rear garden. Elsewhere, the gas centrally heated and double glazed accommodation now allows good potential for future cosmetic improvement, with the house also being offered for sale with the benefit of no onward chain. This is an ideal home for the young family within a popular and well thought of village location.
